Save up to \$880* per couple**

Every ten years, since 1634, the charming Bavarian village of Oberammergau re-creates the death and resurrection of Christ in their haunting Passion Play. The cast is made up exclusively of villagers, and equals any professional production in sheer spectacle and emotion. Attracting visitors from around the world, it is a journey that will exceed every expectation.

Brendan is one of the few operators who are regarded as Oberammergau specialists. Several of our tours visit this tiny village in non-Passion Play years, and this well-established relationship guarantees us a large supply of tickets to the finest seats in the house. The opportunity to witness this unrivaled event comes around only once every decade, so don't miss your chance in 2010.

This is your last chance to book. It'll be 10 years before you'll have another opportunity.
